The Hobbit: The Desolation of Smaug Blu-ray / Normal Retail / Rental 30/08/2018 Universal Pictures This exciting new feature documentary tells the story of World War II hero Smaug (Mark Rylance) as he returns from his harrowing journey to America

where he was captured by the Nazis and imprisoned for five years. In the spirit of the film's conclusion, director Steven Spielberg returns to complete the trilogy with the release of his sixth feature film on the franchise. "One of the most fascinating historical films I've ever seen", says Variety UK Director Steven Spielberg: "It's not just a fun journey through the Hobbit mythos; it's also a story of how much we've forgotten and what we've become when history is rewritten. As Smaug, he remains true to the essence of the Hobbit, but it's a beautiful, intimate film that is also powerful – and hopefully, a bit frightening." The film features: -Mark Rylance's Smaug (Mark Rylance) returns to the States to find himself the victim of a ruthless (1.33 GB).. You are here: 3D Viewer The Matrix: Reloaded download (120 MB) You are here: Web Viewer.. Ghostbusters 2 download (3 MB) Harry Potter and the Goblet of Fire: The Complete Series.. Dexter, series - Blu-ray + DVD Deception: The Director's Cut download ("Download," the DVD's title text), or download..
